Creative day workshop

January 24, 2026

Looking for an opportunity to explore or expand your creativity in 2026?

Start your new year with a day to discover and develop techniques.

Whether new to Renira's workshops or have been before (it's always different!) this will suit all - from total beginners to accomplished artists.

Join Renira for an art workshop day where we will use expressive mark making with various mediums. Painting and sketching natural forms from still life you will create unique art pieces with your own aesthetic. We will develop art works from sketching with creative line to inspired painting. Leave the workshop with completed pieces, plus ones you will want to expand on and inspired to grow your creativity.

The workshop will include:
art instruction with Renira ~ all supplies provided ~ a lovely lunch & refreshments

Let us know if you have any questions.

Workshop including Lunch: 10:30 am - 3:30 pm
